- 200 Game cards (in 5 color-coded sections)
- 1 Tour bus card holder
- Instructions

## OBJECT OF THE GAME

Set your sights on the Hall of Fame! Correctly answer three questions at each stop and be the first to travel from your Private Recording Studio to the induction ceremony at the Music Hall of Fame.

## SETTING UP

- Place each set of color-coded cards in the tour bus card holder with the question side facing players in the following order: Private Recording Studio, Media Moments, Charity Rocks!, Groovy Getaways, World Tour.
- Place all game pieces on the #1 spot in the Private Recording Studio. Players move from spot 1 to each consecutively numbered spot in order: Private Recording Studio, Media Moments, Charity Rocks!, Groovy Getaways, World Tour, ending at the Music Hall of Fame.

## HOW TO PLAY ROCKIN' READING

1. Choose a question from the front of the category of cards that matches the stop you are in on the board.
  - **IF YOU ANSWER CORRECTLY,** move forward one spot. For example, you are on spot 3 in the Private Recording Studio stop. Choose the front card from the Private Recording Studio section in the tour bus. You answer the question correctly—awesome! Move forward (onto the first spot in Media Moments) and your turn ends.
  - **IF YOU ANSWER INCORRECTLY,** it's a no go—stay where you are. Your turn is over.
2. If you draw a Private Pass Card, Rock It!, or Gotta Go! card, follow the directions in the next sections of this guide.
3. When finished with a card, place it in the *back* of its card category in the tour bus card holder.

## PRIVATE PASS CARDS

Private Pass cards allow you to skip directly to the first spot in the next stop *after* having successfully answered *one* question in your current stop. If you have not yet answered a card in your current stop, wait until you do so before jumping to the next stop. Here are some examples:

- **EXAMPLE 1:** You have already answered two questions correctly in the Charity Rocks! stop. You then draw a Private Pass Card. Skip the third spot and go directly to the first spot in Groovy Getaways and your turn ends.
- **EXAMPLE 2:** Bummer! You have not correctly answered any questions in the Charity Rocks! stop. You then draw a Private Pass Card. Choose the next card in the Charity Rocks! section from the tour bus. If you answer the question correctly, advance directly to the first spot in the Groovy Getaways stop. If you answer incorrectly, hold onto the Pass until you answer *one* card correctly in the Charity Rocks! stop.

## ROCK IT! CARDS

These cards offer a choice to either do what the Rock It! Card says or to choose the next card in the section and try to answer it. Here is an example:

### • ROCK IT! CARD EXAMPLE:

- Option 1:** You play "air guitar" and advance to the next spot.
- Option 2:** You're not much of an entertainer and decide to answer the next question. Choose the next card from the section to answer.

## GOTTA GO! CARDS

These cards send you back a space. It's not all glitz and limos—sometimes things go wrong. Bummer!
