Contents

- Game board Box
- 80 Question cards
- 28 Animal pawns

Objective

Be the first person to herd all your animals.

Setup

1. Attach the top of each animal to its matching bottom.
2. Players choose an animal and place all the pawns in front of them.
3. Shuffle the cards and place them face up in the middle of the play area.
4. Place the empty game board box in the center of the play area for all to reach.

How to Play the Game

1. The youngest player goes first.
2. Take a question card and read it aloud. Say the answer and check it on the reverse side. If you choose a card without a question, follow the directions on the card.
3. If you answered correctly, place one of your animals in the pen marked *1*. The first player uses pen *1*, the second player uses pen *2*, and so on.
4. If you answered incorrectly, your turn is over. Return the question card to the bottom of the pile. It is now the next player's turn.

How to Win

Be the first player to have all seven animals in your pen.

Alternate Game Play

1. Divide the question cards by color. The color of the numbers in the pens matches the color on the back of the cards. Place the pile of cards by the matching pen.
2. Each player uses only four of the animal pawns.
3. Take a question card from any pile. If you answer correctly, place an animal in the pen that matches the card.
4. Be the first player to have an animal in each pen.
