A Reading Comprehension  
Main Idea Game

## Contents

- 4 Frames
- 80 Question cards
- 64 Picture cards

**⚠ WARNING:**  
CHOKING HAZARD - Small parts.  
Not for children under 3 years.

## Objective

Answer main-idea questions and be the first artist to complete a picture.

## Setup

1. Players choose a frame and place it in front of them.
2. Each player takes eight picture cards that have the same color on the back, keeping the picture-side down.
3. Place the cards in the frame, picture-side down.
4. Take the question cards and put them upright in the box.
5. Put the box of questions in the center of the table.

## How to Play the Game

1. The oldest player goes first.
2. Take a question card and read it aloud. Say the answer and check it on the reverse side. If a player chooses a card without a question, follow the directions on the card.
3. If you answered correctly, flip one of your picture cards over. If you answered incorrectly, your turn is over. Return the question card to the back of the pile. It is now the next player's turn.
4. When a player has turned over all of his picture cards, he must unscramble the cards to make a complete picture.

## How to Win

The first artist to unscramble the picture cards and yell out, "I got the picture!" wins the game.
